A list of members' names and contact details is maintained on computer. Your details will be used to send you mailings from LOGO, its newsletter, information about its events and to contact you about enquiries. We do not provide the list to other bodies. If you do not want your name and address to be stored on the database, please let Philip Maddison know - but it is very much simpler to use the database.

Marketing and promotions (optional)

- I would like to be added to the mailing list for LOGO's marketing (e.g. emails about our forthcoming events).

Taking and using photo and video images (optional)

- I consent to my photo and video footage being used for marketing purposes (eg LOGO website/facebook page and printed marketing material).

Sharing of contact details with fellow LOGO members (optional)

Your member data – what we need and why

We need some of your details, for example your name and email address, so that we can let you know about things like meetings and event dates, subscription payments, and social events.

What data do we collect from members?

We collect some of the following types of data from members (we don't collect *all* of this data on *all* members – we only collect it if it's needed):

- Name
- Email address
- Postal address
- Phone number
- Photos/video footage
- Subscription payments

We check what data we have on members every two years and remove it if we no longer need it. If you leave the group, we'll make sure we stop using and/or delete any data we don't need to keep (e.g. for financial reporting).

What do we use it for?

Any of the information listed above might be needed to manage your membership with LOGO and to organise and run our activities. We won't ever use this data for anything else unless you give us your active consent for that additional use.

If you give us your consent, LOGO will add your email to our mailing list for the group's marketing/promotional communications. We will always include opt-out options on all such communications. You can withdraw your consent at any point by contacting the Data Protection Officer.

Do we share your data with anyone else?

- We will never give your data to third parties for that third party to use.
- If another member of LOGO asks for your contact details we will only ever share them if you consent.

What can you ask us to do?

At any time you can ask to view, update or correct any data we hold on you. You can also ask that we stop using your data or that we erase it. To request any of these, please contact the Data Protection Officer who will respond within one month.

I've got a question– who should I speak to?

The best person to speak to is the Data Protection Officer -Philip Maddison- madgardener@btinternet.com
